TRIO

TRIO

El Nuevo Canto Trio se compone de un núcleo central con diferentes acabados (Rústico Nudos, Metálico, Marino etc...) acompañado de dos Plintons dando la sensación de un canto compacto.

TRIO

The New Edgeband Trio consists of a central core with different finishes (Rustic Knots, Metal, Marino etc ...) accompanied of two Plintons giving the sensation of a compact edgeband.

No siempre la uniformidad de una Superficie con un canto igualado nos da las mejores sensaciones, actualmente los acabados en Superficies han tenido una gran evolución y el Nuevo Canto TRIO by ServiCanto con sus diferentes diseños, pueden dar con su contraste, un valor añadido excepcional.

Esta es la intención del Dpto. de I+D+i de ServiCanto, desarrollar el complemento perfecto para revalorizar la importancia de la Superficie.

Que sensación óptica o visual conseguimos con el Novedoso canto Trio?

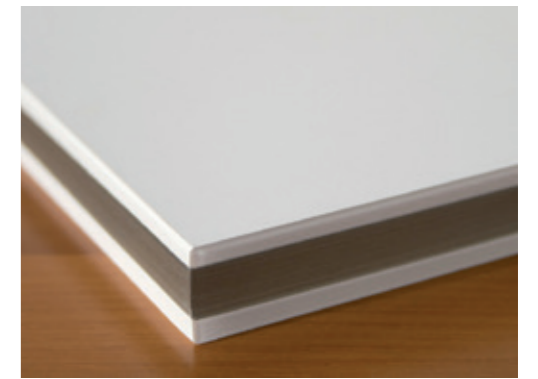

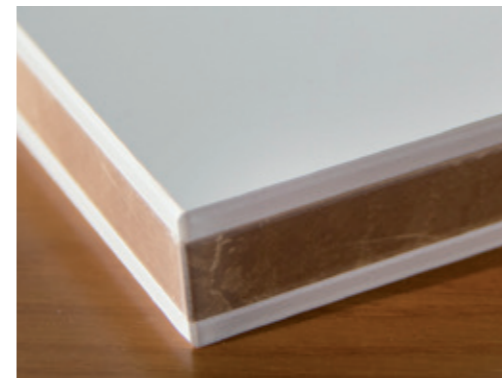

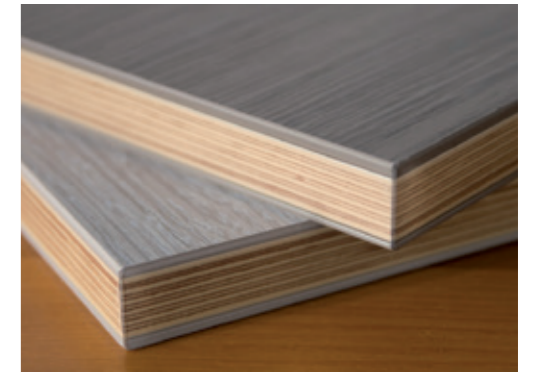

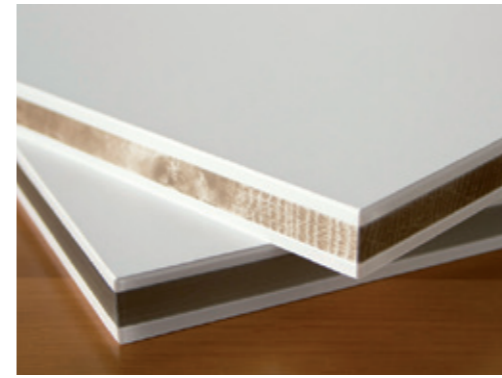

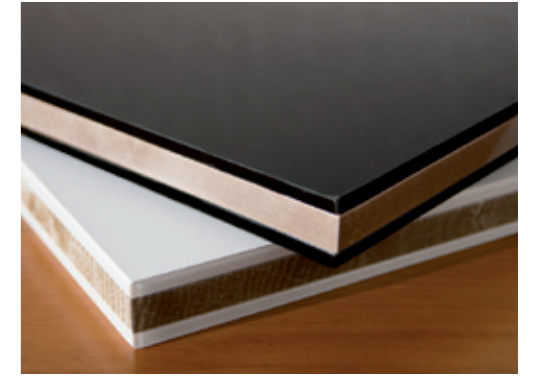

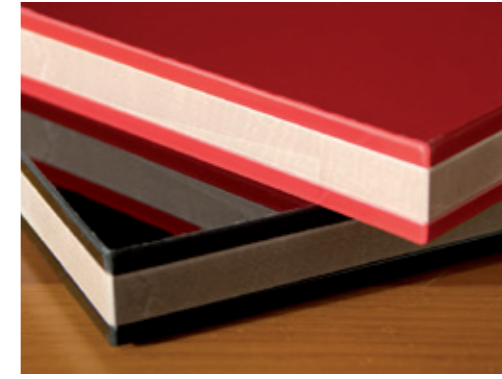

Un interior compacto acompañado de 2 laminados (Uno en cada superficie). Dicha estética Trio recupera sensaciones Retros & Vintage, dándole a las Superficies un agradable reencuentro potenciando su lado más Natural.

Not always the uniformity of a Surface with a close edgeband gives us the best sensations, nowadays all finishes in Surfaces there have had a great evolution and the New Edgeband TRIO by ServiCanto with his different designs, can meet on his contrast, an exceptional added value.

This one is the intention of the I+D+i ServiCanto's Department , to develop the perfect complement to revalue the importance of the Surface.

What optical or visual sensation is obtained by us with the New Edgeband Trio?

A compact interior accompanied of 2 laminated (One in every surface). The above mentioned aesthetics Trio recovers sensations Retros and Vintage, giving him to the Surfaces an successful reunion promoting his more Natural side.
